GitHub Student Developer Pack

Learn to ship software like a pro. There's no substitute for hands-on experience. But for most students, real world tools can be cost-prohibitive. That's why we created the GitHub Student Developer Pack with some of our partners and friends.

- choisissez ensuite l'offre non payante **Continue for free** :

The screenshot shows the GitHub Enterprise pricing page. At the top, there's a blue header bar with the GitHub logo and the text "Enterprises get GitHub's best." Below it, a sub-header says "Increase developer velocity. Secure every step. Automate entire workflows." The page is divided into two main sections: "Free" on the left and "Enterprise" on the right.

Free Plan:

- Unlimited public/private repositories
- 2,000 CI/CD minutes/month (Free for public repositories)
- 500MB of Packages storage (Free for public repositories)
- Community support

Enterprise Plan:

- Everything included in other plans, plus...
 - SAML single sign-on: Control and secure access to organization resources like repos, issues, and pull requests with SAML.
 - Advanced auditing: Keep copies of audit log data to ensure secure IP and maintain compliance for your organization.
 - Enterprise Managed Users
 - User provisioning through SCIM
 - Enterprise Account to centrally manage multiple organizations
 - Environment protection rules
 - Audit Log API
 - SOC1, SOC2, type 2 reports annually
 - FedRAMP Tailored Authority to Operate (ATO)
 - GitHub Connect
 - 50,000 CI/CD minutes/month (Free for public repositories)
 - 50GB of Packages storage (Free for public repositories)
- EXCLUSIVE OPTIONS
 - GitHub Advanced Security**: Automatically find and fix vulnerabilities before they are put into production.
 - Premium support**: With Premium, get a 30-minute SLA and 24/7 web and phone support. With Premium Plus, get everything in Premium plus your own Support Account Manager and more.

At the bottom, there are two buttons: "Continue for free" in the Free section and "Start a free 30-day trial" in the Enterprise section.
