

# Syslog exercice : Vérifier la cohérence de l'architecture mise en place

En vous aidant des documents ci-dessous répondez aux questions suivantes :

- 1) Citer les incohérences présentes dans ce fichier.
- 2) Préciser l'origine de ces incohérences.
- 3) Proposer une solution pour régler définitivement ce problème.

## Documents de travail

### Extrait du fichier syslog du serveur de traces centralisé

```
syslog.1 - Kate
